

Sheep were always
on the highway in
Provo Canyon making
hard to travel in a
surrey & horses. The
sheep had to be
led by hand thru
the herd.

Baaa . . . Baaa . . .

Nowadays, most sheep are trucked from the ranch to the summer range, but reminiscent of the old days this herd walked all the way from Orem through

Provo Canyon to Heber City. Wide open spaces aren't quite as plentiful anymore, so herders had to call on the Orem police and later the Utah Highway Patrol to help supervise the drive.
